# Company Profile

## ShingHi

was founded in 2001 as a company providing consulting and services in the field of civil security.

Over the years the company expanded its activities to rescue, medicine, and infrastructure.

Shing-Hi has several large projects in Israel and abroad in to the field of Search and Rescue - such as the establishment of SAR units, instruction of Civilian rescue teams, consulting to government offices dealing with emergency situations, guidance for fire brigades. Assistance, construction and consultants plans to establish frontal medical emergency rooms.

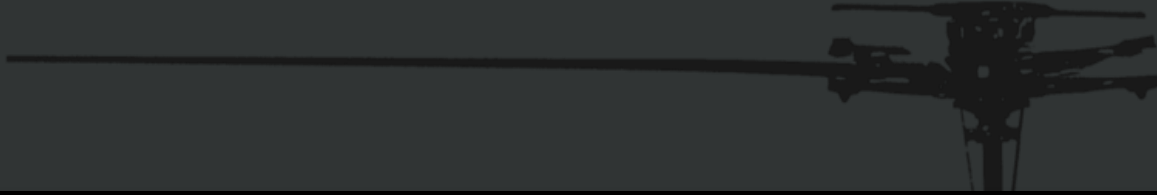

Why do you need a rescue team ?

Disaster do happen

Disaster do happen

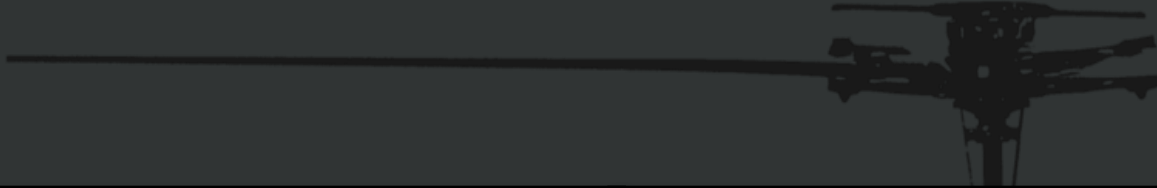

Iran had major earthquake,  
resulting in 69,000 deaths

A cyclone storm  
Mynamar 2007

Tsunami East  
Asia,  
2004 = 280,000  
lives

Terror- Everywhere  
in the world

## Floods

## Road accidents

Katrina was the costliest storm in United States history - with amounts over \$81.2 billion. The death toll was over 1,836.

90% of death events  
could have been prevented  
if the victims been  
rushed to hospital sooner
